General Information and How to Order

LOCATION

Our nursery is located in Berrien County, 6 miles east of U. S. 12, 6½ miles west of U. S. 31, on the Berrien Springs and Baroda road. Our P. O. address is Baroda, Michigan, shipping point, Berrien Springs, Michigan

ORDERING

No order accepted for less than one dollar. Be sure to state how you want your order sent and give your post office, express office, or freight office address. Order early and write plainly.

ACKNOWLEDGEMENT

Orders acknowledged same day received and shipped as per your instructions.

SHIPMENT

Begins about the first of March and lasts until May 15. We can ship your order any time you state in your letter, weather being favorable. We recommend parcel post as the most desirable method of shipment for small orders and express for larger orders. Raspberry, blackberry, and other heavy plants can be shipped safely by freight early in the season. However, all freight shipments go at customer's risk. On late shipments, we advise to ship by express or parcel post.

PARCEL POST

Strawberry plants can be sent by parcel post. Transportation charges are paid by the customer on receipt of stock. Through our many years' experience in shipping nursery stock we find this method most satisfactory to customer and shipper. You pay the charges C. O. D., thus you pay only your exact charges. If flat transportation charge was made, customers living 300 miles from us would have to share the charges for those living 2000 miles away. Parcels marked C. O. D. for delivery charges receive special attention of postal clerks and are automatically insured. If your parcel or any part of the contents is lost or damaged, you may notify us at once and we will make adjustment.

TERMS

We will book all orders when one-fourth cash accompanies the order. On One to Five-Dollar orders, cash before order is shipped. On larger orders cash before stock is shipped if convenient, if not, we will ship C. O. D. for balance. Packing free.

REMITTANCE

Send Express or Post Office Money Order, Draft or Registered Letter; checks from responsible persons are also accepted. Please do not send stamps.

CLAIMS

We consider that you know what you want and fill your order accordingly, never substituting without permission. When ordering late in the season, state second choice. In case of error all claims must be made within 5 days after goods are received.

Why You Should Buy DUNHAM'S Plants

Our climate is ideal for growing plants and we have spared no expense in our soil improvement. Every field has been carefully studied and planned several years in advance, and all the modern methods known used to preserve the moisture for the plants during the dry season. Many carloads of fertilizer are used each season.

WE SAVE YOU MONEY

**BECAUSE WE SHIP DIRECT FROM OUR
NURSERY FARM TO YOU!**

We are mailing you our wholesale price list instead of our usual catalog. Also, spending less on advertising. We grow our own plants, pack and ship direct from packing house on the farm; thus, enabling us to sell these plants at this low price. Your order or inquiry will have our personal attention.

OUR GUARANTEE

We guarantee all our plants to be fully up to grade, of good quality, free from disease, and absolutely true to name; also to reach the customer in perfect condition.

Furthermore, we will, at our option, either replace free of charge or refund purchase price, on any stock that arrives in bad condition; PROVIDING CLAIM IS MADE WITHIN FIVE DAYS FROM ARRIVAL OF SHIPMENT, ACCOMPANIED BY A SIGNED STATEMENT FROM THE EXPRESS AGENT OR POSTMASTER AT DESTINATION, SHOWING EXTENT OF LOSS OR DAMAGE.

OUR PLANTS TRUE TO NAME

If any plants prove untrue to name they will, at our option, either be replaced free of charge, or purchase price will be refunded, but in no case will we be responsible for a sum greater than the original purchase price paid. Beyond this our liability ceases. It is understood and agreed between the customer and ourselves that the purchaser's order and our acknowledgment of its receipt, shall constitute a mutual acceptance of the above terms and conditions.
